**Thank you Rupa!**

Hey Rupa Thank you soooo..much for guiding, supporting and directing me always. I have been learning so much along with the journey I started with you as my coach.

I have been fortunate to be a part of Transformational Heart Leaders. Learning and growing with the heart leaders has been so helpful. It's the only group where I enjoy to be a part of.

**Rupa Patil is such an inspiration**

Rupa Patil is such an inspiration. She not only has updated knowledge to guide & mentor but also filled with positivity. A session with her can open doors and give lost hope to anybody & everybody. I am an academician, researcher, clinician, & a teacher. Now I can't wait to be a successful woman entrepreneur and I am certain that Rupa Patil would make me become one.

Want to share with my fellow heart leaders  
Last month/ June I had decided to simply follow **rupa patil** methodology to create sales channel  
Happy to share without automation  
created 125 leads of which 85 converted to sales. Wanted to convert 100 at least but realised there is scope of improvement and have to learn more  
The system wrks 🙌 is all I can say

**Rupa is an outstanding mentor**

Rupa is an outstanding mentor! She doesn't just help to uncover my own answers for the obstacles I am facing but shares her super-useful, pragmatic ideas on how to turn vision into next steps. I can only highly recommend her!

Hi guys! 😊 I'm just so excited to share my win for tonight...

I apply what I've learned from **Rupa** related to online business..and I got 1 sale for tonight! 🙌

Despite of fear since it's not usual here in the Philippines to have business without physical product but I made it! 🙌 Woohoo! 🙌

Thanks **Rupa** 🙌❤️❤️
